NO PLACE FOR ARMENIANS.

The Canadian Government Dis-

courage a Colonization Scheme.

New York, N. Y., Dec 30.—A Sun special from Ottawa says: A proposal was recently submitted to the Dominion Government to bring out Armenians to settle on land in the Canadian Northwest. The British Government last week cabled the Governor-General here to know what the Canadian Government had decided to do in the matter, and a meeting of the Cabinet was held to deal with it.

Yesterday a dispatch was sent to Joseph Chamberlain that the scheme could not be entertained, as the Canadian Government had no funds from which the Armenians might be assisted, and that it was considered impossible to grant lands in a block for settlement. It was also held that in view of the climatic differences it would not be in the interests of the Armenians to bring them to the Canadian Northwest.

The Efficiency of a Countersign.

While Colonel Giliam, with the Middle Tennessee Regiment, was occupying Nashville during the late war, he stationed sentries and patrols in all the principal streets of the city.

One day an Irishman who had not been long enlisted was put on duty at a prominent crossing, and he kept a sharp and faithful watch. Presently a citizen came along.

'Halt! Who goes there?'

'A citizen,' was the response.

'Advance and give the countersign.'

'I have not the countersign,' replied the indignant citizen, 'and the demand for it at this time and place is unusual.'

'Well, begorrah! ye don't pass this way until ye say Banker Hill.'

The citizen, appreciating the situation, smiled and advanced to the sentry, and cautiously whispered the magic words.

'Right! Pass on!' and the wide awake sentry resumed his beat.
